

Defining Excellence in Loan Origination

“Ingo was a spur-of-the-moment addition to our flagship event for leaders in the mortgage industry. His value was overwhelming and the reception of what he brought in both expertise and humor received raving reviews. Not only did I personally become a huge fan of Ingo but he, in his own creative fashion, transformed many lives. Without a doubt, we will continue to look to Ingo for his insights and expertise for time to come. I would recommend Ingo for any event, but more importantly as a partner for any organization.”
